SECURITY INFORMATION

Director's Meeting

Friday, 9 November 1951

25X1 The DCI mentioned a man called [] who is in OPC and whom Gen. [] would like as a fiscal officer. DCI thinks the man is a little too slick and that we better look into his background. Gen. Bolling knows all about it and Mr. Wolf will get his dossier.

25X1

[]

25X1

25X1 The DCI asked how many consultants we presently have. Mr. [] reported that he had already talked to Mr. Reber and 25X1 Mr. [] and they will get up a quarterly report on consultants, giving name, background and reason for hiring.

25X1 The DCI brought up the question of apartments and safe houses and specifically the one taken under [] said that Mr. [] was getting all necessary data for [] OPC and would talk to Mr. Wolf. The DCI wants to know how many we have and why.

25X1

25X1

Mr. Dulles mentioned item 3 in the Log. We have to look into this very carefully as it is a very delicate situation. The DCI doubts whether we should be mixed up in it. Col. [] will follow it.

SECURITY INFORMATION

Mr. [] gave the DCI a [] describing certain guerrilla activities in North Korea. DCI feels that we should check with [] in regard to the possibility of giving combat descriptions for such operations. He also feels that a copy of this message should go to Gen. Balmer for information of the JCS. Col. [] will follow.

Mr. Dulles mentioned the Beria and suggested that the full text be sent to some of the Senior Representatives for comment.

Mr. Dulles stated that he would have Mr. [] come in to talk to him. [] might be of some use to us.

Mr. Wolf has talked to Harrison about Let Freedom Ring. Printing is being held up. The DCI feels that PSB should approve it and that Mr. [] should take it up. Mr. [] will get a ~~marker~~ for Mr. Dulles to see and Mr. Dulles will then call Mr. Barrett.
